  Save lives now through expanding opportunities for proven treatments
The President’s Opioid Initiative

Opioids.gov

LEARN ABOUT THE MAGNITUDE OF THE OPIOID CRISIS AND HOW THE TRUMP ADMINISTRATION IS FIGHTING BACK
Domestic Initiatives/Demand

- Public Health/Public Safety
  - Enforcement
  - Prevention
  - School Based
  - Drug Free Communities Support Program
  - RX prevention-guidelines, PDMPs, REMs
  - Blueprint
- Treatment
  - Linkage to care, peers, novel programs, multiple intercepts
- Overdose Prevention
- Medical and Social Consequences
Intersections with Public Health

• Heroin Coordination Group Webinar: Public Health, Public Safety: State Epidemiologists and Coroner and Death Investigators

• Military Veterans and Their Families

• Interagency Task Force on MH and SUD

• Fast Track Action Committee Research: identifying health related research needs for opioids
  – Private Public Collaboration: HHS/NIH, the White House and Pharmaceutical Development Companies next generation pain medicines to include non-addictive opioids (long term) and a range of duration products for existing medication
FY 2018 Funding

- Approximately $4 billion of total funding for opioid-related grants and activities. Examples include:
  - $20 million to expand access to services in rural areas through telemedicine and distance learning services
  - $330 million for Comprehensive Opioid Abuse Reduction Activities (CARA), including drug courts and PDMPs
  - $500 million for the State Targeted Response to the Opioid Crisis Grants (21st Century Cures)
  - $1 billion for State Opioid Response Grants
FY 2018 Funding

- $94 million to enhance interdiction efforts at international mail facilities and the US Postal Service
- $8 million for an Opioid-Affected Youth Initiative
- $100 million for the Rural Communities Opioids Response Program
- ~$476 million for an Opioid Drug Overdose Prevention Program
- $500 million for research related to opioid addiction, developing alternatives to opioids, pain management, and addiction treatment.
New Prevention & Treatment Resources

• Bipartisan Budget Act of 2018: $6 billion Authorization over FY2018 and FY2019
  • Funds grants, prevention programs, and law enforcement efforts.

• 21st Century Cures Act gave SAMHSA $970 million in grant funding over 2 years for the Opioid State Targeted Response Grant (STR).
  • All 54 states, territories and the District of Columbia received funding.
  • This is the second year of funding.
President’s FY 2019 Budget Request

• $7 billion to combat the opioid crisis across 14 Executive Branch Departments, the Federal Judiciary, and the District of Columbia.
  • Efforts spanning prevention, treatment, interdiction, international operations, and law enforcement.

• The Addendum to the FY 2019 Budget Request adds an additional $10 billion in discretionary funding to address the opioid epidemic and serious mental illness.
